51 foot 2 lane obstacle course

This obstacle course begins with climbing thru the ring of fire. You then must scale a vertical climb to reach the top of the slide. When going wet this is where the water fun is. A heavy mist makes it a great wet slide. From the end of the slide continue to go under and over horizontal obstacles. Take a few Jumps in the jumping area. Now squeeze through the squeeze obstacle. Next the challenge is getting past the bungees if you make it through them you will tackle the uprights and you have successfully completed the obstacle course.
